Playboy tonight
Why don't you invite me
To go somewhere?
Playboy you know
I'm at home
Watching telly
Now
On saturday I want to
Go to a party
And have a blast
Dress up to the nines
And be the centre of attentionPlayboy tonight
I am your
Girl right?
Be a gent and
Escort me
Ok?
On saturday at the party
I want us to be
The centre of attention
Arm in arm as if we were in love
I want to be the talk of town
The two of us the talk of townPlayboy playgirl
Why don't you go out and have some fun?

Playboy playgirl
Aren't you going to invite me? Playboy tonight
You're going to dance with me
Till morning right?
Playboy you will only have eyes
For me right?
I want to sneak out
Of the party
With you
I want to sneak out with you
And then I want you to
Kiss me
Kiss me kiss me kiss me
I want to be kissed Playboy playgirl
Let's go out for some fun
Playboy playgirl
Won't you
Call me? On Saturday
At the party
I want to be the noisiest one
Sneak away
With you
And suddenly
Be kissed
Kiss me kiss me kiss me
I want to
Be kissed
I want us to be so in love Playboy playgirl
Come on let's go out for some fun
Playboy playgirl
Won't you invite me?
Playboy playgirl
Let's go out for some fun
Playboy playgirl
Aren't you going anywhere? Playboy playgirl
