

Angel of Love (Demo)

Del Shannon

Ooooooooooooooh,
This is my confession,
Please, please listen,
Angel of love,
Hear my plea, Can we two be together?
We were meant for each other,
Angel of love,
Hear my plea, I've cheated and I lied,
I've told you lies,
I don't care if,
I live or die,
But with her you'll see,
It will always be,
I'll love her til eternity, Can we two be together?
We were meant for each other,
Angel of love,
Hear my plea, I've cheated and I lied,
I've told you lies,
I don't care if,
I live or die,
But with her you'll see,
It will always be,
I'll love her til eternity, Angel of love,
So high above,
Angel of love,
Hear my please.
