In the interest of democracy repressive action were taken
In order to preserve democracy, repressive action were taken
Well we went down to georgia, we were looking for some fun
Instead we met the devil with a fiddle and a gun
And he said I'm the baddest fiddler anywhere in the land
And when he proved it to us, well, we let him join the band
And he said Well, the devil he don't have the bomb
And the devil he don't have a gun
The devil hasn't got a car
And the devil he can't play guitar
Dl: rain cloud, moving red, a piece of a galaxy
J: air enormous disgusting parts of a moon
V: babbling babbling landing color of blue white [blah blah] velvet
Dl: what's that? good [blah], a dull new land
J: a horrifying glad magnificent star babbling daphnia, a pulsing
V: a magnificent yellow speculation of velvet light a token rain cloud babbling (woofy)
Dl: a token velvet good. new land
J: [blah blah]
D: a new land
