It's been five years, we've had good and bad
The ivy grows thick in our dark backyard
When I shave in the morning, you don't recognise me
I ask if you're still there and you answer, "Truly" Don't walk away then turn and say "I love you anyway"
Don't walk away then turn and say "I love you anyway"
You come for the week to love me then you up and leave next day
So don't walk away then turn and say "I love you anyway" You think you're so bad but you're just badly raised
You twisted and turned all the love that we made
I cannot hold on and I cannot let go
I was wasted at fifteen, never learned to go slow Don't walk away then turn and say "I love you anyway"
Don't walk away then turn and say "I love you anyway"
You come for a week to love me then you up and leave next day
So don't walk away then turn and say "I love you anyway" You pick the curtains and I'll pick the sheets
The silver anniversary will be the next time we meet
I loved you before and I'll love you till then
You're my foe and my brother and lover and friend Don't stay for the good stuff, there ain't none around
I'll love you and leave you and drive from this town
Before I give you the ring there's one thing you should know
You have 7 seconds before it's too late to go
So Don't walk away then turn and say "I love you anyway"
I never ever want to see you till our wedding day
Don't walk away then turn and say "I love you anyway"
I never ever want to see you till our wedding day
Come for the week to love me then you up and leave next day
I never ever want to see you till our wedding day
Don't walk away then turn and say "I love you anyway"
Don't walk away
