

# Beautiful Disgrace

## The Suspects

I see the real you  
You put me in my place  
Close to perfection  
You're outta control, you're outta control Pardon me, I feel the need to scream  
I'm ill stuck in the chemical abyss  
I'm grippin' at the walls around me Pardon me, if I was laughin' at the crimes  
I was laughin' at the way you lie  
Tell me why All lies come down to this 'Cause I don't need friends to wrap me up in red tape  
Get 'em off my back, they're dead weight  
In case you didn't catch my signs the first time  
Let me tell you again All my life I tried to explain  
How I love myself to release the pain  
Anti-magnetic, so quit your bitchin', lyin', cryin'  
Tell me why Lately, inside I'm giving in to revenge  
Tell me why I'm in and over my head  
Why I'm in over my head  
I'm in so deep that When I wake up I don't wanna know you  
Tell me my name again  
Just a beautiful disgrace  
A beautiful disgrace, a beautiful disgrace Come with me so I can show you how to live  
Burnin' the candle at both ends  
I'm gripping at the walls around me Don't complicate it  
I'm addicted to this life  
I'll be your token of attention All my lies come down to this Lately inside I'm giving in to revenge  
Tell me why I'm in over my head  
Why I'm in over my head  
I'm in so deep that Lately inside I'm giving in to revenge  
Tell me why I'm in over my head  
Why I'm in over my head  
[Incomprehensible] The real you  
You put me in my place  
Close to perfection  
You're out of control I see the real you  
I saw through everything  
Close to perfection  
I saw through everything If I could take away this pain  
Just one more time, I might  
I saw through everything  
Tell me why I'm in over my head When I wake up I don't wanna know you

Tell me my name again  
You're just a beautiful disgrace  
Such a beautiful disgraceDisgrace, disgrace  
You're such a beautiful disgrace  
You're so vain, vain, vainGrow your guilt from another vine  
I've given this enough time  
Lately, inside I'm giving inGrow your guilt from another vine  
I've given this enough time  
Lately, inside I'm giving inGrow your guilt from another vine  
I've given this enough time  
Lately, inside I'm giving inGrow your guilt from another vine  
I've given this enough time[Inaudible]  
Such a beautiful disgrace  
You're so vain, vain, disgrace
