

# No One Does It Better

## Soul Decision

If I can't have anybody else but you  
Baby, don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
Didn't you know, that I wanted you to call  
Tell me what's on your mind baby  
Maybe you don't want my love at all  
I thought, I deserved more than that  
I'll give you all the love that I can  
I know what I've gotta do  
Gotta get through to you  
And make you understand baby  
If I can't have anybody else but you  
Baby don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
Now if you wanna ride, all night  
I'm waiting come inside  
But if you wanna go, lemme know  
Don't lead me on, don't waste my time  
I think, I deserve more than that  
I've given you all that I can  
I know what I've gotta do  
I gotta get through to you  
And make you understand baby  
If I can't have anybody else but you  
Baby, don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
If I can't have anybody else but you  
Baby, don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
Anybody, anybody  
And baby, in my dreams I make love to you  
And I'll do everything that you wanna do  
Don't even think that I'm not the man  
I'll go crazy, you drive me insane  
No one does it better than you

If I can't have anybody else but you  
Baby, don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
If I can't have anybody else but you  
Baby, don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
If I can't have anybody else but you  
Baby, don't you know what you put me through  
I don't want anybody else it's true  
No one does it better than you  
No one does it better than you
