How Many Times

Lil' Mo

Ooh, oh, oh, yeah
Why you got to make this hard?
All the time so difficult
When I'm just trying to get you to notice me
Since I can't hold you accountable
For the feelings that I feel
I'll hold you responsible
'Cause I know that you can see
How many times I've got to say it?
How many times the DJ gotta play it?
How many letters would it take to make you understand?
How many times I have to reason?
Baby, so you'll know that I need ya
All that I say, how many times?
Baby, how can I make you realize?
Requested songs on the love line
Dedicate 'em all to you
I know that DJ's probably tired of me by now
Since I can't hold you accountable
For the feelings that I feel
I'll hold you responsible
'Cause I know that you can see, baby
How many times I've got to say it?
How many times the DJ gotta play it?
How many letters would it take to make you understand?
How many times I have to reason?
Baby, so you'll know that I need ya
All that I say, how many times?
Baby, how can I make you realize?
Baby, can't you see I love you
Everyday I try to show you, oh, yeah, oh
Baby, don't you walk away from me
'Cause I could be your everything
All of me, all love has to bring
How many times I've got to say it?
How many times the DJ gotta play it?
How many letters would it take to make you understand?
How many times I have to reason?
Baby, so you'll know that I need ya

All that I say, how many times?
Baby, how can I make you realize?
How many times I've got to say it?
How many times the DJ gotta play it?
How many letters would it take to make you understand?
How many times I have to reason?
Baby, so you'll know that I need ya
All that I say, how many times?
Baby, how can I make you realize?
How many times?
How many times?
Yeah, oh, yeah
