Beautiful Dancer (feat. Charlie Wilson)

New Boyz

(Charlie Wilson) "You see your more than beautiful, it's no metaphor that
Can describe what my eyes see
So don't you take this personal but had to let you know that
There's just one thing I came to see
So won't you bounce it up and down, bounce it up and down, bounce it up and down on me
So won't you bounce it up and down, bounce it up and down, bounce it up and down on me"(Legacy) I don't mean to seem disrespectful but i've been looking at your hips and felt so curious about what they can do it's stuck in my head and I can't seem to let go
Gimme wrong i can more than respect plan you work hard and look better than the rest of em love how you carry yourself in the birthday suit make me wanna drop a bill and write a check for you

Can describe what my eyes see
So don't you take this personal but had to let you know that
There's just one thing I came to see
So won't you bounce it up and down, bounce it up and down, bounce it up and down on me

She haven't made a sound she tired, lay her body down
Swagging it out while I play music at her house

Dancing and she feeling it, she vibe like she into it
She wanna make a movie well I guess I will be filming it
Like she the type to get it shaking early morning waken bacon
She pop it when she naked she offer then I take it(Charlie Wilson) "You see your more than beautiful, it's no metaphor that
Can describe what my eyes see
So don't you take this personal but had to let you know that
There's just one thing I came to see
So won't you bounce it up and down, bounce it up and down, bounce it up and down on me
So won't you bounce it up and down, bounce it up and down, bounce it up and down on me"

Can describe what my eyes see
