

Suicide

James Arthur

One, two
You ready?
Here we go

It ain't the gun
It's the man behind the trigger
Gets blood on his fingers and runs

It ain't the lie
It's the way that the truth is denied

But if there is one thing that I'm guilty of
is loving and giving til you take too much
If somebody ask how we died

Please look them straight in the eye
Call it suicide
Don't fabricate
Just tell em baby

It was suicide, Don't sugar coat it
Just let them know

It ain't the knife
It's the way that you use it, and how you abuse it in fights
It ain't about the life
you feel you were given, as long as you're living in love

But if there is one thing that I'm guilty of
is loving and giving til you take too much
If somebody ask how we died

Please look them straight in the eye
Call it suicide
Don't fabricate
Just tell em baby

It was suicide, Don't sugar coat it
Just let them know

You've been killing me softly
And finally, that is too much
ohhhh

And I'm all out of whiskey
to soak up the damage you've done, ohhh

If there is one thing that I'm guilty of
is loving and giving til you take too much
If somebody ask how we died

Please look them straight in the eye
Call it suicide
Don't fabricate
Just tell em baby

It was suicide, Don't sugar coat it
Just let them know

Call it suicide
Don't fabricate
Just tell em baby

It was suicide, Don't sugar coat it
Just let them know

Baby, just let them knoww
ohhhhhhhhh
