

# Not Meant To Be

## Theory of a Deadman

It's never enough to say I'm sorry  
It's never enough to say I care  
But I'm caught between what you wanted from me  
And knowing that if I give that to you  
I might just disappear Nobody wins when everyone's losing It's like one step forward and two steps back  
No matter what I do you're always mad  
And I, I can't change your mind  
I know it's like trying to turn around on a one way street  
I can't give you what you want  
And it's killing me  
And I, I'm starting to see  
Maybe we're not meant to be It's never enough to say I love you  
No, it's never enough to say I try  
It's hard to believe  
That there's no way out for you and me  
And it seems to be the story of our lives Nobody wins when everyone's losing It's like one step forward and two  
steps back  
No matter what I do you're always mad  
And I, I can't change your mind  
I know it's like trying to turn around on a one way street  
I can't give you what you want  
And it's killing me  
And I, I'm starting to see  
Maybe we're not meant to be There's still time to turn this around  
You could build this up instead of tearing it down  
But I keep thinking  
Maybe it's too late It's like one step forward and two steps back  
No matter what I do you're always mad  
And I, I can't change your mind  
I know it's like trying to turn around on a one way street  
I can't give you what you want  
And it's killing me  
And I, I'm starting to see  
Maybe we're not meant to be It's like one step forward and two steps back  
No matter what I do you're always mad  
And I, baby I'm sorry to see  
Maybe we're not meant to be
