Rotten

Sage Boatright

You see me
Posted in the front
Coolin with my main girls
She bad We bad
They bad We bad
Yeah We bad

F&F girl on my Michelle Obama
Hair all done up in curls
No back burner girls
She bad We bad

Ganic on my grind
no time for beat-up sides
Tell me whats on your mind
Ima bad bih design
Bad bih design

5'2 with an attitude
Tell me all about you
Ima fuz with you for a few
See what this hype girl's up to
What she up to?

Rotten
Ima weaken B
Rotten
Ima triflin Queen
Rotten
Trill with that lean
Don't you know that the best never rest
Y'all never grown enough
To mess with me

You see me
In the cut with my wcadies
We ain't some nobodies
She mad We mad
They mad We mad

Yeah we mad

On point lady

Miss Kitty Meow stealin' them pearls
No backburner girls
She mad

Tell me who you game with
I don't really mind
Cuz it's just one time
Bad bih Divine
Until a bad bih decline

Baby, what's your sign?
My libra love ain't for the long run
Feelin?
I ain't got none
I'm just all about having fun
Get with me & you've won
Boy you've won

Rotten
Ima weaken B
Rotten
Ima triflin Queen
Rotten
Trill with that lean
Don't you know that the best never rest
Y'all never grown enough
To mess with me

I'm so messed up
But u like it like that
I'm so messed up
A little tit for tat
I'm so messed up
I know you want some more
I'm so messed up
I'm Rotten to the core

Rotten
Ima weaken B
Rotten
Ima triflin Queen
Rotten

Trill with that lean
Don't you know that the best never rest
Y'all never grown enough
To mess with me

Rotten (I'm so messed up)
Ima weaken B
Rotten (I'm so messed up)
Ima triflin Queen
Rotten (I'm so messed up)
Trill with that lean
Don't you know that the best never rest
Y'all never grown enough
To mess with me
