

Luxury

Azealia Banks

(Listen now, Ill hip you, hip you now, when I whistle
Whistle owl, Im gonna split you, lift you, get - when I hit you
With a smile, Ill make you, make you wow, now Im with you
With you now, I cant forget you - get you now)(Verse)

Hey, hi, hello, yo whats up?

My oh me oh boy, whats word? Could I call ya?

Of late, Ive no one, Im from new york

My oh mi amor, who told ya you could... Look so good?Oooh sire, lie next to me,
So I can peek at ya, before you wake.

(you wake)

Oh, my love, my luxurys right here if you want..

You want to stay..(Hook)

Yo, let me in your world, you know what I spy?

Spy ya looking lonely, ya know boy, thats why

I wanna be your lady, your l-l-l-love,

My L-U-X-U-R, hey ya know what I would

If I could, if I could, if I could.(Listen now, Ill hip you, hip you now, when I whistle
Whistle owl, Im gonna split you, lift you, get - when I hit you,
With a smile, Ill make you, make you wow, now Im with you
With you now, I cant forget you - get you now)(Verse)

Uh, took a trip, took a boat, took three friends.

This bitch said its open season,

Miss miss been alone and she been looking for some gentlemen,

Im hoping he been feeling when I fit up in the *ropa

He can, chill up in her villa for the whole damn weekend

Just coast with her, put ya hands on her figure now ya gropin her! Gropin her!(Listen now, Ill hip you, hip you
now, when I whistle

Whistle owl, Im gonna split you, lift you, get - when I hit you,
With a smile, Ill make you, make you wow, now Im with you
With you now, I cant forget you - get you now)(Bridge)

I swear, I'ma treat ya good babe, Ill keep up my hair

If you leave you know babe, Itll be a nightmare

I'ma nick your name and keep you right here (ooooh)(Hook)

Let me in your world, you know what I spy?

Spy ya looking lonely, ya know boy, thats why

I wanna be your lady, your l-l-l-love,

My L-U-X-U-R, hey ya know what I would

If I could, if I could, if I could.(Listen now, Ill hip you, hip you now, when I whistle
Whistle owl, Im gonna split you, lift you, get - when I hit you

With a smile, Ill make you, make you wow, now Im with you
With you now, I cant forget you - get you now)
