## Meek Mill

Okay...

I got a rubber in my pocket and im talking like this.
[CHORUS]Face down, ass up. That's the way, we like to fuck.
There's some hoes in this house im tryna fuck,
There's some hoes in this house im tryna fuck.
Face down, ass up. That's the way, we like to fuck.
There's some hoes in this house im tryna fuck,
There's some hoes in this house im tryna fuck.
[Meek Mill]I got all these hoes tryna fuck.
I got pussy on my mind, and got patron all in my cup.
And i got shawty on my line, tryna do the you know what.
And i ain't gotta say no words you know I swerve if you know her.
Cause i don't play. I'm like no way.
I'm killin them hoes, it's 2 on 1.
I take one home, I touch that down.
You take that home, and you gon punt.
Cause yall gon kick it, and im bout my business.
When it come to counting them hoes, i got no bitches.
Look, i got my city. Cause i run that shit.
But i want your face down, and your ass up.
And your ass up, and your face down.
She comin up, tryna catch breath.
And i grab her weave, like stay down.

Now look, I gotta rubber up in my pocket.

[CHORUS]Face down, ass up. That's the way, we like to fuck.
There's some hoes in this house im tryna fuck,
There's some hoes in this house im tryna fuck.

There's some hoes in this house im tryna fuck.
Face down, ass up. That's the way, we like to fuck.
There's some hoes in this house im tryna fuck,
There's some hoes in this house im tryna fuck.
[Wale]Couple bad independent women in my section.
You be trickin dollars, I don't even pay attention.
And I do be popping bottles,
And I don't think its a problem.
So just HOLD UP...let me open up with this ganja
Put your face down, ass up.
Oh you think you all that.
I say that we see wassup and play lets see who call who back.
And now you mad, saying that I treat you bad.
Cause when i treat you high,
I treat you and leave you, you'll be needing bathes
Now we at Magic and Onix tryna see what's happening.

Trust me, I throw this bag. She buss it like that Peter Pan.
See the plan, come alone or go back home.
And if they act like they don't know, play this muthafucking song!
[CHORUS]Face down, ass up. That's the way, we like to fuck.
There's some hoes in this house im tryna fuck,
There's some hoes in this house im tryna fuck.
Face down, ass up. That's the way, we like to fuck.
There's some hoes in this house im tryna fuck,
There's some hoes in this house im tryna fuck.
