Sweet Nothing

Blak29

(Ah Ah Ah)

Iâ€™m like the god thatâ€™s risen
One vision
Wanna be just a face in the crowd
Iâ€™m like a god who feeds all emotions
In your mind

Ah help me, dear lord
Help me through it all
Wanna be just a face in the crowd
Iâ€™m like a god who walks outta ocean
Of your heart

Iâ€™m like the god who feeds out emotions
In your mind

Oh when, oh well
Sweet nothing
Oh when, oh when
Sweet pain

God imma get it now

(Ah Ooh Ah Ooh Ah Ooh Ah)

I gotta run from me again
I gotta
Throw away all my sins

Iâ€™m like the god who feeds out emotions
In your mind

Iâ€™m like a god who feeds out emotions
In your mind

Oh when, oh well
Sweet nothing

Oh when, oh well

Sweet pain, yeah

Oh when, oh well
Sweet nothing

Oh when, oh well
Sweet pain

Oh god Iâ€™ll stand and walk the ocean

Oh god Iâ€™ll stand out in the rain

I know that nothing lasts forever

Oh god itâ€™s
God itâ€™s sweet pain
