

# Tell Me

## Shakra

Another lie - You've gone too far  
You're the queen of broken hearts  
Now look at me - How does it feel  
To see a man who's hurt so deep  
TELL ME BABY, TELL ME  
CAN YOU SLEEP AT NIGHT  
TELL ME BABY, TELL ME  
AFTER ALL YOUR LIES  
YOU GOTTA PAY THE PRICE  
Another night - And you're not there  
A lonely man - An empty bed  
Playing games ain't no crime  
As long as there's no heart on fire  
TELL ME BABY, TELL ME  
CAN YOU SLEEP AT NIGHT  
TELL ME BABY, TELL ME  
AFTER ALL YOUR LIES  
YOU GOTTA PAY THE PRICE  
You were all I ever had  
You are all I need  
Girl I love you, I hate you  
What have you done to me  
TELL ME BABY, TELL ME  
CAN YOU SLEEP AT NIGHT  
TELL ME BABY, TELL ME  
AFTER ALL YOUR LIES  
YOU GOTTA PAY THE PRICE
