

Would You Love A Monsterman? (Live in Stockholm)

Lordi

Would you love a monsterman could you understand beauty of the beast fire at will
Fire at will yeah I would kill yeah I would freeze all hell over just to get a chill
Yeah I would slay yeah I would maim yeah I would vanish in thin air and reappear again
Be right in the squares yeah I would be sincere yeah I would lie yeah I would lie Yeah I would be there waking
up the dead to get a thrill I say yeah I say yeah
Would you love a monsterman could you understand beauty of the beast
I would do it all for you would you do it all do it all for me
Take your time you'll be fine yeah there is nothing wrong with this you ain't committing crime You don't know
why it passed you by you search for something never found along these lines
Someday you may turn around and terrify you can't deny you crucify
Would you get down in the gutter swallowing your pride I say yeah I say yeah
Would you love a monsterman could you understand beauty of the beast I would do it all for you would you do it
all do it all for me
All that you get is less than you deserve
Leaving for now someday I may return yeah hmm whoa
Would you love a monsterman
