Fall

The Saturdays

I gave you all you desired
All that you needed boy I provided
I let you into my head, into my bed
And that's a privilege

I had your back in the answers
You took the dollars, I took the chances
Defended battled and fought
'Cause I really thought you love me

I don't know where to start or where to stop, no
But I know I am done, I've had enough

So fall out of my head, out of my heart
And when you hit the ground
You'll be sorry that I'm not around
I will watch you fall while

You fall out of your mind, out of your fantasy
When you hit the wall think of me
I'll be on the top just watching you fall

You said that you were the strong one
I was the girl and I was the young one
I kept your feet on the ground
My head in the rounds, I had you

You told me you were so grateful
I was with you and I was so faithful
I stood by in all that you said
And all that you did, I love you

I don't know how to act or what to say
But I know I am good, I'll be okay and you

Fall out of my head, out of my heart
And when you hit the ground
You'll be sorry that I'm not around
I will watch you while

You fall out of your mind, out of your fantasy
When you hit the wall think of me
I'll be on the top just watching you fall
I'll be on the top just watching you fall

Fall, fall, fall, fall
Fall, fall, I want you to fall

Fall out of my head, out of my heart
And when you hit the ground
You'll be sorry that I'm not around
I will watch you while

You fall out of your mind out of your fantasy
When you hit the wall think of me, think of me, yeah
I'll be on the top just watching you

Fal, out of my head, out of my heart
And when you hit the ground
You'll be sorry that I'm not around
I will watch you while

You fall out of your mind, out of your fantasy
When you hit the wall think of me
I'll be on the top just watching you fall
