

# Learning to Trust

David Meece

There's a father in your sweetest dreams  
Who's always there to meet your needs  
He never ever let you down  
There's a mother in your heart of hearts  
Who always plays the perfect part  
She never lets you hit the ground  
This is the need of children  
These are their tender dreams  
And oh, how it hurts when they don't come true  
That's why I'm learning to trust in You  
In everything I do  
I'm learning to trust in You  
Cause I know in my heart that You're true  
I'm learning to trust in You  
But sometimes it's so hard to do  
Father, little children must grow up  
And to grow we've got to learn to trust  
And to trust we've got to cling to You  
And when You tell me You will hold me close  
It's the very thing I need the most  
But it's the very hardest thing to do  
I've got this pain inside me  
It speaks to me loud and clear  
When there's so much to gain there's always so much to lose  
That's why I'm learning to trust in You  
In everything I do  
I'm learning to trust in You  
Cause I know in my heart that You're true  
I'm learning to trust in You  
But sometimes it's so hard to do  
Keep calling me, drawing me closer  
Don't let me hold back  
Whatever it takes I must break through  
The heart of a child is broken  
But his time has come  
Whatever he lost, I'll find in You  
That's why I'm learning to trust in you  
In everything I do  
I'm learning to trust in You  
Cause I know in my heart that You're true  
I'm learning to trust in You  
But sometimes it's so hard to do  
I'm learning to trust in You  
In everything I do  
I'm learning to trust in You  
Cause I know in my heart that You're true  
I'm learning to trust in You  
But sometimes it's so hard to do  
Hard to do, learning to trust in You  
So hard to do, learning to trust, it's so hard to do
