What You Are

Dave Matthews Band

[Incomprehensible] I walk into this room, all eyes on me now

But I do not know the people inside

They look straight through me, these eyes

Seeking more wisdom than I have to give away

Realize, realize what you are What you've become, just as I have

Are you and I so unalike?

Huddled here you just as I am

Afraid if we dance we might dieMock the world

Live safe, say why

Don't you know if you live life

Then you become what you are The sea's unsparing

We're all drifting away

Away from you

I pray for you nowHoping to God on high

Is like clinging to straws

While drowning, oh

Realize, realize what you are What you've become, just as I have

Are you and I so unalike?

Huddled here you just as I am

Afraid if we dance we might dieMock the world

Live safe, say why

Don't you know

When you live life

Then you become what you are What you are

Is the beast in a lover's arms

What you are

Is the devil in the sweet, sweet kissWhat you are

Is missing a piece

What you are

Is a puzzle to meWhat you've become, just as I have

Are you and I so unalike?

Huddled here you just as I am

Afraid if we dance we might dieWhat the world give to you

Don't you know

When you give life

Then you become what you areDon't trust me

Trust you

Up to you

Trust you
