

Seasons

HOAX

These are the seasons
I watch them go
Give me a reason
I'll let you know
These are the seasons
I watch them go
Give me a reason
I'll let you know
These are the seasons
I watch them go
Give me a reason
I'll let you know
Girl you're my Jerusalem
My city on a hill
Searching for my heaven
In the deepest parts of hell
Well, time wasted no lies with me
She took me by the hand
Lead me in, lead me in
Into your "Promised Land"
It goes on and on, on and on
Days turn months turn weeks turn years
Everything that I ever feared
It goes on and on, on and on
Everything that I ever loved
Always seemed to kill
These are the seasons
I watch them go
Give me a reason
I'll let you know
These are the seasons
I watch them go
Give me a reason
I'll let you know
Girl you're my Jerusalem
My city on a hill
Searching for my heaven
In the deepest parts of hell
I cannot apologize
For things I've never felt
Well look inside of an empty mind
And tell me if it's real
It goes on and on, on and on
Days turn months turn weeks turn years
Everything that I ever feared

It goes on and on, on and on
Everything that I ever loved
Always seemed to kill These are the seasons

I watch them go
Give me a reason
I'll let you know
These are the seasons
I watch them go
Give me a reason
I'll let you know These are the seasons

I watch them go
Give me a reason
I'll let you know
These are the seasons
I watch them go
Give me a reason
I'll let you know
