John Wayne (UK Single Edit)

Billy Idol

You know you make me crazy
And my mind is racing
You're wastin' all my time
Someone come and save me
Oh yeah'Cause when I need you
I can see through
And I feel you
Right now
All my highway
Doin' my way
And I want you to feel
When I'm going down[Chorus]
I am not afraid
And I won't go down in fate
Nothings gonna be the same
And everything you know
Keep inside your soul
Tonight I'm gonna be John Wayne
Oh yeahOur colder days are chasin'
And you're not gonna face it
The reason's in the rhyme
You walked on what was sacred
Oh yeahAnd when I need you
I can reach you
And I feel you
Right now
It's a new day
But your skies are gray
And I want you to feel
When I'm going down[Chorus]Everything you know
Keep inside your soul
Tonight I'm gonna be John Wayne[Chorus: x2]
