

Lean On Me

Michael Bolton

Sometimes in our lives
We all have pain we all have sorrow
But if we are wise, we know that there's
Always tomorrow, oh yeah Lean on me
When you're not strong I'll be your friend
I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody to lean on Please swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
That you won't let show You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on Lean on me
When you're not strong I'll be your friend
I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody to lean on You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on If there is a load that you have to bear
That you can't carry
I'm right up the road, I'll share your load
If you just call me Call me, call me, call me
If you need a friend
Call me, call me, call me Lean on me
When you're not strong I'll be your friend
I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody, somebody to lean on Lean on, lean on me
Lean on, lean on me
Lean on, lean on me
