Lean On Me

Michael Bolton

Sometimes in our lives

We all have pain we all have sorrow
But if we are wise, we know that there's
Always tomorrow, oh yeahLean on me
When you're not strong I'll be your friend
I'll help you carry on
For it won't be long 'til I'm gonna need
Somebody to lean onPlease swallow your pride
If I have things you need to borrow
For no one can fill those of your needs
o't let show You just call on me brother when you

That you won't let showYou just call on me brother when you need a hand We all need somebody to lean on

I just might have a problem that you'll understand
We all need somebody to lean onLean on me
When you're not strong I'll be your friend
I'll help you carry on

For it won't be long 'til I'm gonna need Somebody to lean onYou just call on me brother when you need a hand We all need somebody to lean on

I just might have a problem that you'll understand
We all need somebody to lean onIf there is a load that you have to bear
That you can't carry

I'm right up the road, I'll share your load If you just call meCall me, call me, call me If you need a friend

Call me, call me, call meLean on me When you're not strong I'll be your friend I'll help you carry on

For it won't be long 'til I'm gonna need Somebody, somebody to lean onLean on, lean on me Lean on, lean on me

Lean on, lean on me
