Coming Alive

Chimaira

There was a time I was afraid
Of getting close to you
Your potency was quite threatening
Fiber pure, touching scars
Feels good to finally hold youIt was my mistake
For not trusting you
It was my mistake
Well, this is nowI'm no longer afraid
I'm coming alive
No one can take it away
I'm coming alive
I'm coming aliveI'm coming alive
I'm coming alive
I'm coming aliveUnbelievable force
When you're close to my lips
When feeling the intensity you give me
I adore you and always will
Psychoactive and delicateIt was my mistake
For not trusting you
It was my mistake
Well, this is nowI'm no longer afraid
I'm coming alive
No one can take it away
I'm coming alive
I'm coming aliveYou saved me from these nightmares
You took control of me
You saved me from this heartache
And you never judged meAnd now I'm coming alive
I'm coming alive
Alive
