

# Don't Be Cruel

## Cheap Trick

Well you know I can be found  
Sitting all alone  
If you can't come around  
At least please telephone  
Don't be cruel to a heart that's true  
Baby, if I made you mad  
For something I might have said  
Please forget my past  
The future looks bright ahead  
Don't be cruel To a heart that's true  
I don't want no other love  
Baby, it's just you I'm thinkin' of  
Don't stop thinkin' of me  
Don't make me feel this way  
Come on over and love me  
You know I want you to stay  
Don't be cruel to a heart that's true  
Let's walk up to the preacher  
Let's say, "Hey, I do"  
And then I know you'll want me  
And you'll know I want you too  
Don't be cruel to a heart that's true  
I don't want no other love  
Baby, it's just you I'm thinkin' of  
Don't be cruel to a heart that's true  
Don't be cruel to a heart that's true  
I don't want no other love  
Baby, it's just you I'm thinkin' of  
Don't stop thinkin' of me  
Don't make me feel this way  
Come on over and love me  
You know I want you to stay  
Don't be cruel to a heart that's true  
Why should we be apart?  
Baby, you know I love you, cross my heart  
Don't be cruel to a heart that's true  
Don't be cruel to a heart that's true  
Don't be cruel to a heart that's true  
I don't want no other love  
Baby, it's just you I'm thinkin' of
