Believe Me

Grey Daze

Sleep
In the shadows
Breathe
In the air
Without dreaming
Without a care, oh
Look
In the mirror
Cry
No control
I've got a fever
I've got my whole, ohI tried to believe it
Tried to receive it
With eyes of power
Will you deceive me, ohCrawl
Up to the clouds
Claw
Your way out
I want to be there
I want to move on, ohI ran like a coward
Far from this place
Show me desire
Show me disgrace
Believe me (x3)
