Future Baby Mama

Jacquees

All the stars in the sky can't shine like you on your worst day
You make everything all good, 24/7 birthday, hey, hey
Don't let the talk 'round town bring you down, they just extra
Don't converse with these lames, they just trying to finesse you
Can't nobody else even handle you
I just wanna put my hands on youThere she go looking like my future baby mama
Can't nobody do your body like my body
I'm sorry, your mama know what it is
I'm about to give her all of her grandkids
Singin' there she go looking like my future baby mama
Can't nobody do your body like my body
I'm sorry, your mama know what it is
I'm about to give her all of her grandkids (grandkids)I'll write your name on the living room wall
Put your picture in a frame, you can tell the world
I ain't ashamed, baby, you can have it all
Give you my last name, you can tell the world
My baby the best, number one in the nation
Yeah, I heard they hating, but what they're really saying?
Yo mama gon know, bout our sexual relation
When I come up to a front door, sayingThere she go looking like my future baby mama
Can't nobody do your body like my body
I'm sorry, your mama know what it is
I'm about to give her all of her grandkids
Singin' there she go looking like my future baby mama
Can't nobody do your body like my body
I'm sorry, your mama know what it is
I'm about to give her all of her grandkids (grandkids)I'll write your name on the living room wall
Put your picture in a frame, you can tell the world
I'll write your name on the living room wall
Put your picture in a frame, you can tell the world
I'll write your name on the living room wall
Put your picture in a frame, you can tell the world
I'll write your name on the living room wall
Put your picture in a frame, you can tell the worldThere she go looking like my future baby mama
Can't nobody do your body like my body
I'm sorry, your mama know what it is
I'm about to give her all of her grandkids
Singin' there she go looking like my future baby mama
Can't nobody do your body like my body

I'm sorry, your mama know what it is
I'm about to give her all of her grandkids (grandkids)Uh, and I'll write your name, baby
And I'll write your name
And I'll write your name, baby
And I'll write your name
And I'll write your name, baby
And I'll write your name, baby
