# Hold Me, Thrill Me, Kiss Me

## She & Him

Hold me, hold me
Never let me go until you've told me, told me
What I want to know and then just hold me, hold me
Make me tell you, I'm in love with you
Thrill me, thrill me
Walk me down the lane where shadows will be, will be
Hiding lovers just the same as we'll be, we'll be
When you make me tell you, I love you
They told me be sensible with your new love
Don't be fooled thinking this is the last you'll find
But they never stood in the dark with you, love
When you take me in your arms and drive me slowly out of my mind
Kiss me, kiss me
When you do I know that you will miss me, miss me
If we ever say, "Adieu" so kiss me, kiss me
Make me tell you, I'm in love with you

Kiss me, kiss me
When you do I know that you will miss me, miss me
If we ever say, "Adieu" so kiss me, kiss me
Make me tell you, I'm in love with you
No, no, never, no, no never, never, never
Never, never let me go, never let me go
Never, never, never let me go
No, no, never, no, no, never
Kiss me, baby, never, never
Never let me go
Never let me go, never, never, never let me go
No, no, never, no, no, never
Thrill me, kiss me baby
