

Play In the Sunshine

Prince

Oh Doggies!
We want to play in the sunshine
We want to be free
Without the help of a Margarita or Exstasy
We want to kick like we used to
Sign up on the dotted line
We gonna dance every dance
Like it's gonna be the last time We got to play in the sunshine
Turn all the lights up to ten
I want to meet you (meet tou), kiss you (kiss you),
Love you (love you), and miss you (miss you)
Do it all over again, do it all over again We gonna play in the sunshine
We're gonna get over
I'm feelin' kind of lucky to night
I'm gonna find my for-leaf clover
Before my life is done
Some way, some how, I'm gonna have fun Play in the sunshine We gonna love all our enemies
Till the gorilla falls off the wall
We're gonna rock him
We're gonna roll him
We're gonna teach him that love will make him tall (somehow) Aah, pop goes the music
When the big white rabbit begin to talk
And the color green will make your best friends leave ya
It will make them do the walk
But that's cool
Cause one day, everyday will be a yellow day
And let's play We gonna play in the sunshine
We're gonna get over
I'm feelin' kind of lucky to night
I'm gonna find my four-leaf clover
Before my life is done
Some way, some how, I'm gonna have fun Play, play, play, play, play, play, play
We gonna play in the sunshine
We're gonna get over
I'm feelin' kind of lucky to night
I'm gonna find my four-leaf clover
Before my life is done
Some way, some how, I'm gonna have fun (play), (play),
(play) no, (play) no, (play) no

(come on, play) no!, (play) no!, (play play play) Yes!Drummer, do your thing
Drummer, drummer, do your thing
Drummer, drummer, drummer
Can I get some of that?Let's get out of here (yeah)
(play, laugh in the sunshine)
We're not afraid to (play, laugh in the sunshine)
We are going to
(play, laugh in the sunshine)
(play, laugh in the sunshine)
