

# In the City

## Taisei Iwasaki

Living my life, just day by days  
I can't give up all my goals and dreams,  
Im giving it, I got to stay, in the city

But my soul is right here,  
(Song)

Im here to survive  
I know I'm gonna make it  
Its gonna be hard.

Living my life, just day by days  
I can't give up all my goals and dreams,  
Im giving it, I got to stay, in the city  
But my soul is right here,
