

# Sex Drive (Scream Mix)

## Dead or Alive

Oh the suns going down  
The nights coming in  
I got a brain for business and a body for sin  
So shoot like a rocket 'cause my engine is hot  
If you want what's forbidden  
Baby that's what I gotSex drive [Repeat: x 6]  
Sex drive it sees no gender or color  
So lets get together and collide with each other  
Sex drive aw you know how it feels  
Get out of my car and get under my wheelsSex drive [Repeat: x 4]  
French kisses a thing of the past  
Were too young to die so we'd better live fast  
The dying is easy the urge is so hard  
If your looking for funkng then get into my carI'm a Mercedes Benz why don't you jump in  
I got a rear view mirror you can watch us in  
The harder you drive the smoother I go  
I got my engine runningSex drive it sees no gender or color  
So lets get together and collide with each other  
Sex drive aw you know how it feels  
Get out of my car and get under my wheelsOh the suns coming down  
The nights coming in  
I got a brain for business and a body for sin  
So shoot like a rocket 'cause my engine is hot  
If you want what's forbidden baby that's what I gotGet under my wheels [Repeat: x 3]
