

Beauty of My Dreams

Phish

One day I met the beauty of my dreams
Such pretty eyes she had although it seems
 Long hair flowin' down behind
I saw it all you know I was so blind

 We wound up on her side of town
 Bright lights and loud music all around
 I gazed into her eyes and she in mine
 She had me in a trance it was so fine

 And now i cry cry cry
 I can't get over her though I tried
 I'm blue blue blue
 I should have known she never could be true

 Well the fun didn't last for very long
 I found her house and neighbors say you're wrong
 The girl you seek don't live here anymore
 Now i know the pain that was in store

 Now all I have is a picture in a frame
 She left me the same as she came
 She made a wreck of me now I find
 She's outside but always on my mind

 And now I cry cry cry
 I can't get over her though I tried
 I'm blue blue blue
 I should have known she never could be true
