

# Never Surrender (Terence Fixmer Remix)

## Combichrist

Self medicating, craving punishment  
Blaming myself for a world on fire  
No more shame, no more pity  
No more  
We rise from the ashes I will suffer  
I will burn  
Let the hate prevail  
Enslave my soul  
But I'll never surrender Silent words from a bleeding mouth  
Swallows pride with a swollen tongue  
Everything is nothing, life in a shallow grave  
Too ashamed to feel joy life collecting dust  
No more shame, no more pity  
No more  
We rise from the ashes I will suffer  
I will burn  
Let hate prevail  
Enslave my soul  
but I'll never surrender I will suffer  
I will burn  
Let hate prevail  
Enslave my soul  
but I'll never surrender Mental cancer hijacks your brain  
Denying the reality you created for yourself  
We rise from the ashes I will suffer  
I will burn  
Let hate prevail  
Enslave my soul  
but I'll never surrender I will suffer  
I will burn  
Let hate prevail  
Enslave my soul  
but I'll never surrender Never surrender  
Never surrender  
Never surrender  
Never surrender  
Never surrender  
Never surrender

Never surrender
