Mom

Pure Jerzy Kidz

She wipes away my tear;
Provides a listening ear;
Her smileâ€™s a work of art;
She holds me in her heart.

When I think about her, such joy comes to my face.
Everything about her is filled with love and grace.
Sheâ€™s the one I run to in times both thick and thin
Sheâ€™s my best friend Like no other
Sheâ€™s my mother!

She shows me how to love,
Tells me â€˜bout God above.
Finds sunshine in the rain,
Kisses away all pain.

When I think about her, such joy comes to my face.
Everything about her is filled with love and grace.
Sheâ€™s the one I run to in times both thick and thin
Sheâ€™s my best friend Like no other
Sheâ€™s my mother!

Having a real bad day,
She makes it all okay!
Whenever Iâ€™m afraid
The worries quickly fade.
When I think about her,
such joy comes to my face.

Everything about her is filled with love and grace.
Sheâ€™s the one I run to in times both thick and thin
Sheâ€™s my best friend Like no other,
Sheâ€™s a godsend,
Thatâ€™s my mother!
Sheâ€™s my best friend
Like no other,
Sheâ€™s my mom!
