Magnet & Steel

Walter Egan

(Oooooh, oooh-ah)
Now I told you so you ought to know
(Oooooh) It takes some time for a feelin' to grow
(Oooooh) You're so close now I can't let you go
(Oooooh) And I can't let go

With you I'm not shy, to show the way I feel
With you I might try, my secrets to reveal
For you are a magnet and I am steel

I can hope that I'll hold you for long
(Oooooh) You're a woman who's lost to your song
(Oooooh) But the love that I feel is so strong
(Oooooh) And it can't be wrong

With you I'm not shy, to show the way I feel
With you I might try, my secrets to reveal
For you are a magnet and I am steel

(Oooooh)
(Oooooh)
(Oooooh)

With you I'm not shy, to show the way I feel
With you I might try, my secrets to reveal
For you are a magnet and I am steel
For you are a magnet and I am steel
For you are a magnet and I am steel
