

Guilty

Jim Reeves

I've been accused convicted and condemned the trial's over
And now I face the end
Is this your way of telling me we're through
When all I'm guilty of is loving you You were the judge the jury all in one you found me guilty
And now my terms begun
I must confess I've never been untrue
And all I'm guilty of is loving you Loving you and now I'm losing you
Losing you for things I didn't do
Please let your heart consider
And appeal for now you know exactly how I feel (how I feel) Don't punish me for things I didn't do
When all I'm guilty of is loving you
Yes all I'm guilty of is loving you
