

# Amity

## Acadia

Amity, Amity, Amity, Amity  
Amity, Amity, Amity caught stars in her arms  
Hello, hello kitty happy in New York City  
Amity walking like a lucky charm  
I'm a neon sign and I stay open all the time  
So let's go, go, go, go, Amity, Amity  
God don't make no junk but it's plain to see

He still made me, He told me so  
"I'm good to go, I'm ready to go"  
'Cos you laugh and talk  
And 'cos you make my world rock  
I'm so, so, so, so, Amity, Amity, Amity, Amity  
Amity, Amity, Amity good to go
