

# 2nite (Interlude)

[SisqÃ³](#)

What took you so long?  
Thought you was coming right over here  
(Mmmm)  
Hold up, hold up  
(Yeah baby)  
Hold up  
(I want you to taste me)  
Trying to, uh, I said, damn  
Hold up, is that what you wanted?

How can I love you tonight?  
Oh baby I know that you're not mine  
How can I love you tonight?  
I know you're not mine
