Manana

Santana

Oh no no
oh no noVerse 1:
Sometimes I wish I knew your name
At times I want to say hello
But you seem so far away
To let my feelings show
And though I don't know what to say
I feel that someday soon one day
Love will place you by my side
And it shall be our guideChorus:
And then manana sera se si
Means our love will always be
Something special and also true
Girl I long to be with you
Oh manana sera se si
Means our love will always be
Something special and also true
Girl I long for youVerse 2:
When I have you by my side
You will always be my pride
Love so simple yet so sweet
I do think you're all I need
So I thought I'd let you know
That my heart forever grows
Closer to your warm embrace
Everytime I see your faceChorus:
And then manana sera se si
Means our love will always be
Something special and also true
Girl I long to be with you
Oh manana sera se si
Means our love will always be
Something special and also true
Girl I long for youOh, oh, oh, oh, oh
Oh, oh, oh, oh, ohAnd so manana sera se si
Means our love will always be
Something special and also true
Girl I long to be with you
Oh manana sera se si

Means our love will always be
Something special and also true
Girl I long for youBridge:
Do you know I don't know you
I want to show you I do love you
That I do do, do love you
Oh babe, I think about you
Even though I don't know you
I want to show you I do love you
And that I do do, I think about you
Oh babe, I do love you
Even though I don't know you
I want to show you I do love you
I think about you
Oh do do, oh do do, oh do doChorus (x2)
