

I Don't Want to See You Again

[Martina McBride](#)

I don't want to see you
'Cause I don't want to feel you Don't look so surprised
I told you that I'd say good bye
If you couldn't just make up your mind You keep saying love can wait
But I can't and it's too late
And this old heart has just run out of time I don't want to see you
'Cause I don't want to feel you
I don't want a love that I can't win, baby I don't want you to call
'Cause if I can't have it all
I don't want to see you again When your new life gets you down
Don't be tempted to come around
Just think of all the times I let you slide When your teardrops finally come
You'll realize that I'm the one
I won't be there when it's your turn to cry I don't want to see you
'Cause I don't want to feel you
I don't want a love that I can't win, baby I don't want you to call
'Cause if I can't have it all
I don't want to see you I don't want to see you
I don't want to feel you
I don't want a love that I can't win, baby I don't want you to call
'Cause if I can't have it all
I don't want to see you again
