Dear Heart

Sanctus Real

Dear heart, do you belong to me or do I belong to you?
Just look at all the trouble you dragged me into
I've heard it's said to follow your heart
But I'm starting to wonder if it's gone too farOh heart, you let me down
Chasing love where it can't be found
Heart, we've fallen out
'Cause all of your emotions have led me to doubt
Tell me who's gonna save us now?Dear heart, you're in the wrong place
Looking out for yourself, no matter what I say
And I know that you're holding me back
And it's time for a change so I'm giving you awayHeart, you let me down
Chasing love where it can't be found
And heart, we've fallen out
'Cause all of your emotions have led me to doubt
Tell me who's gonna save us now?La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, laHeart, you let me down
Chasing love where it can't be found
And heart, we've fallen out
'Cause all of your emotions have led me to doubt
Only Jesus can save us now
