Let the World Know

[Dead By April](#)

Trust the words I say
I'm willing to go the distance
But I'm a little bit fragile
I'm just saying let's take this slow
Don't get me wrong
Let 'em knowWrite it in magazines, in the papers
Put it all over the news, let 'em hear it
I wanna let the world know
How I feel, how I feel, how I feel
'Cause I'm living my dreams to the fullest
Forever you and me
Nothing can intervene
I wanna let the world know
How I feel, how I feel, how I feelBeen waiting for this moment
But there's no need to rush it
One step at a time
We must be careful not to loose itIf I'm defined completely by my actions
I'll prove myself but I ask a little patience
'Cause I am not a perfect human being
But I know one thing,
I'm right about this feeling
