

Settled Down

Owen

I'm so settled down
It feels like the Earth moves
When I doSo, still (so still)
I'll sit (I'll sit)
For you
Until (until)
I can't (I can't)
Not move
Did the bed shake?
The house just fell down
The city's in ruins
Did you feel that, too?I'm not mad, I'm done
That last earthquake
Was a knockout punchI'm bored again
Torn between giving in and getting lost for good
The silence sits in my throat
What time is it?
The bed shook
And the house just fell down
The city's in ruinsNow they're all dead, or buried
I'm sorry, but I had to move
