

Here Tonight (Mix Cut) [feat. Collin McLoughlin]

Dash Berlin & Jay Cosmic

A shattered glass left a broken heart
A thousand miles and nowhere to start
But I won't let this pain deceive us, and hide this feeling
I can't break this love between us, we'll survive through healing I won't waste, this, love, here tonight
And I'll embrace, this, love, here tonight, here tonight
And if I break, my, bones, in the fight
Feel the love inside us here tonight, here tonight, here tonight I won't waste, this, love, here tonight
Feel the love inside us here tonight, here tonight, here tonight
Here tonight Feel the love inside us here tonight, here tonight, here tonight I won't waste, this, love, here tonight
And I'll embrace, this, love, here tonight, here tonight
And if I break, my, bones, in the fight
Feel the love inside us here tonight, here tonight, here tonight
Here tonight Feel the love inside us here tonight, here tonight, here tonight I won't waste, this, love, here tonight
Feel the love inside us here tonight, here tonight, here tonight
