

Beautiful

The Go-Go's

My life is ever so perfect
My life has been a bed of roses And you might think I'm crazy
So what if I am
My head is full of good things
Enough for everyone Beautiful
Is all I see when I look at me
Beautiful
Every mother's dream Day by day
Things just keep getting prettier
Beautiful
What a wonderful life And my life is really quite simple
My life is just what I make it I think you think I'm seeing
Only things I want to see
The truth is that I'm being
Who I wanna be Beautiful
Is all I see when I look at me
Beautiful
Every mother's dream Day by day
Things just keep getting prettier
Beautiful
What a wonderful A wonderful
A wonderful life Let me have my own world
Come in, live in my world
Let me have my own world
Come in, live in my world Beautiful
Is all I see when I look at me
Beautiful
Every mother's dream Day by day
Things just keep getting prettier
Beautiful
What a wonderful life Beautiful
Things keep getting prettier
Beautiful
Things keep getting prettier Beautiful
Beautiful
