

We Wish You Weren't Living With Us

Bob Rivers

We wish you weren't living with us
We wish you weren't living with us
We wish you weren't living with us
We're not happy you're here You drive everybody crazy
 You're hopelessly fat and lazy
 You're constantly in the way here
So pack up your gear Get out! You're feeding you face
 You're taking up space
 We wish you weren't living with us
We're not happy you're here Close the refrigerator! Correct us if we're mistaken
 But those are long distance calls you're makin'
 How long do you plan on takin'
 Advantage of us Pay up! We wish you weren't living with us
 We wish you weren't living with us
 We wish you weren't living with us
 Get out of town Now!
