Trance

Lloyd

[Foreign Content]Cash money, dawg child
Wit ya man Lloyd
Yeah, yeah, okay dawg child
I know it's hot 'cuz my girl really likes it
Ain't no replacement it's hot up in the basement
See this South so we crunker than yo average
Makes you wanna grab it 'cuz you gotta have it
See the dog chow makes that very spice and tasty
Really can't help but to move yo body crazy
You feelin' somethin' and I know you just can't help it
And I know what your feelin'
That's why, you'll never ever meet another player
As fly, as the one with the dubs on the whip
That's right, so pretty mama please don't let yo day
Pass by, 'cuz shawty you just don't know
That I, have never ever met another girl
That fine, starin' so hard I didn't even see the
Stop sign, hit the ground so hard it made me
Realize, that you need to get with me
Once you get to know me you will believe
You're in a trance baby
I promise you never met no one that puts
You in a trance like me
You'll keep on wantin' mo' and mo' to please me
You're in a trance baby
You won't stop thinkin' what has come over me
You're in a trance crazy
Trance, I put you in a trance
I'll make you wanna dance
I'll leave you in a trance, trance
Now I know that you're used to something basic
Something new just face it, so much time is wasted
And you should be with whatever I do
Baby I can show you how to make your dreams true
That's why I look into your eyes
And see that you been searchin 'cuz you tired of hurtin'
So baby, won't you come come and just roll wit me?
I got all that you need put your trust in me
That's why, you'll never ever meet another player

As fly, as the one with the dubs on the whip
That's right, so pretty mama please don't let yo day
Pass by, 'cuz shawty you just don't know
That I, have never ever met another girl
That fine, starin' so hard I didn't even see the

Stop sign, hit the ground so hard it made me
Realize, that you need to get with me
Once you get to know me you will believe
You're in a trance baby
I promise you never met no one that puts
You in a trance like me
You'll keep on wantin' mo' and mo' to please me
You're in a trance baby
You won't stop thinkin' what has come over me
You're in a trance crazy
Trance, I put you in a trance
I'll make you wanna dance
I'll leave you in a trance, trance
Now when I kick the game, I get the names up in the trance
I'm in the in the iller rangers Lil Wayney and my man
Lloyd, holla at your boy boy who mami wit?
She feel in love with Wheezy snap out of it
Then I misplace her I can't erase her so I got to replace her
When I roll and say that get in the back and lay back, lay back
'Cuz my backseat is bigger than a room
Where you stay at? I don't play that, I'm a balla, baby
Once you get to know me you wouldn't even believe
You're in a trance, baby
I won't miss you've never had no one puts
You in a trance like me
You on wanting more and more to please me
You're in a trance baby
You won't stop thinking what has come over me?
You're in or just crazy?
Once you get to know me you wouldn't even believe
You're in a trance, baby
I won't miss you've never had no one puts
You in a trance like me
You on wanting more and more to please me
You're in a trance baby
You won't stop thinking what has come over me?
You're in or just crazy?
Trance, I put you in a trance
I make you want to dance

I leave you in a trance, trance
Trance, I put you in a trance
I make you want to dance
I leave you in a trance, trance
