

Good Morning Little Schoolgirl

Hurricanes

Good morning, little schoolgirl.
Good morning, little schoolgirl.
Come on, hold me to
I let me body, I want to to
Make love, love, squeeze, squeeze
Come on, tease you honey
Hey, yeah, yeah, yeah
Yeah, yeah, ye-yeah, yeah, hey-eah

Let's dance, little schoolgirl.
Let's dance, little schoolgirl.
Come on, come on, come on, come on
Come on, come on, come on, come on
I'd like to kiss you, boogie
Honey, bunny
Yeah, yeah, ye-ye-yeah
Ye-ye-ye-ye-ye-ye-ye-yeah, hey-eah
Honey, it's alright!

Good morning, little schoolgirl.
Good morning, little schoolgirl.
Come on, hold me
I let me body, I want to to
make love, love, squeeze, squeeze
Come on, tease you honey
Hey, yeah, yeah, yeah
Ye-ye-ye-ye-yeah, hey-eah

Let's dance, little schoolgirl.
Let's dance, little schoolgirl.
Come on, come on, come on, come on
Come on, come on, come on, come on
I'd like to kiss you, boogie
Honey, bunny
Yeah, yeah, ye-ye-yeah
I like, I like, I like, hey-eah
Baby, it's alright!

Come on, come on...
Dance little, dance little..

Come on, come on...

Yeeeeeeeeees, you're...
