

Cuts and Bruises

All the Little Pieces

Verse 1:

I was stupid

I fell off the edge

Couldn't find a ledge to hold onto, I guess

That's how I got all these cuts and bruises...on my soul

That's how I got all these cuts and bruises...and they won't heal

Verse 2:

Just too weak

Couldn't fall without breaking

It..it was a mess

Chorus:

That's how I got all these cuts and bruises...on my soul

That's how I got all these cuts and bruises...and they won't heal

Bridge:

I've got all these cuts and bruises (4x)

Chorus:

That's how I got all these cuts and bruises...on this soul

That's how I got all these cuts and bruises...and they're not healin' no no no no no no
That's how I got all these
cuts and bruises, they're on my soul...
