Rewind

Paramore

Don't come looking for me
'Cause I'll be right here
With the words you said
I'm looking for the words to sayYou know what you did, you know
How can anybody forget
The promise that you made?'Cause this is how the promise breaks
I always knew you'd fall through
And now you're proofRewind to the first time
And I felt it coming
I knew it would not last
Rewind to the first time
And I felt it comingMake it quick
Make it painless
Don't tell me lies
Just say goodbyeAnd now you're running from me
So cool, so scared of what you might have said
And no one's ever looked away
'Cause we know what you did, we knowIf I told anybody
Then we would soon forget your name
And you would never have a place
I always knew you'd fall through
And now you're proofRewind to the first time
And I felt it coming
I knew it would not last
Rewind to the first time
And I felt it comingMake it quick
Make it painless
Don't tell me lies
Just say goodbyePlease don't say too much
Oh, I think we've heard enough from youRewind to the first time
And I felt it coming
I knew it would not last
Rewind to the first time
And I felt it comingMake it quick
Make it painless
Don't tell me lies
Just say goodbyeDon't tell me lies
Just say goodbye
